Meeting called to order at 9:00am.

Undergraduate Certificate Holocaust Studies – APPROVE.

AMH 2XXX American History Through Films – APPROVE.

PHI 3XXX Conduct, Change, and Consequences – APPROVE.

PCO 4XXX Applied Health Psychology – APPROVE.

ANG 5XXX Methods for the Observation of Behavior – RECYCLE. Make the Course Description more specific and direct. For example, what are some of the variety of methods? Of course, one is trying to answer anthropology questions because this is an Anthropology course. There is no A+ in the UF grading scale. Please also copy edit carefully the syllabus.

SPN 3XXX Spanish Conversation, Film, and Culture – RECYCLE. Clarify whether this class is open to bilingual students and whether this is a language class or a culture class. The course description says the course enhances students' oral and written skills in Spanish, yet it does not seem that writing is required. Make the fact that this is a conversation course clear and prominent. Should SPN393 in the Rationale be SPN3930?

African American Studies 4XXX Honors Thesis – TABLE, pending clarification of the syllabus requirements for a thesis course. Also, syllabus lists the credits as variable (2-4), while the UCC1 lists the credit and contact hour base as 3.

BSC 2009 Biological Sciences – APPROVE.

BSC 2009L Biological Sciences Lab – APPROVE.

SPN 4840 Intro History Spanish Language – APPROVE.

SPN 6845 History Spanish Language – APPROVE.

Meeting adjourns at 10:00am.
